1. The information disclosure statement filed Feb. 9, 2004 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but all the information referred to therein has not been considered.
2. No copy was received for AJ, AK, AQ, AR, AS or AT. Therefore, these references were lined out.

Allowable Subject Matter

6. Claims 3-6 and 12-18 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
